

Subject: Our Family Reunion at Island Pointe 2010

To Mr. Dave Sullivan

August 7, 2010

Dave,

This note is to let you know that our first family reunion, held at Island Pointe, was a rousing success! We especially wanted you to know how much we value Mike Doyle. Many times during the past two years of planning we have contacted Mike with numerous questions; he has always been prompt and courteous with answers. His enthusiasm became our enthusiasm! We could see that Island Pointe would meet our objectives of a beautiful and peaceful setting on the lake, a variety of separate but close accommodations, a nice pool, docking for a boat and, best of all, a clubhouse for our family of 41 to assemble and interact.

Mike has helped us every step of the way and, together with Pauline, could not have been nicer to our families during our stay. The clubhouse proved to be the key to enabling the desired interaction of the families, whether at a cookout, games, movie night, morning coffees, or sanctuary from the mosquitoes.

Our stay at Island Pointe will forever be a fond memory for our family. Many have expressed a desire to "do this again"! Please express our thanks to your owners for the use of their "lake homes and clubhouse" and to Mike and Pauline for their important roles in the success of our family reunion.

Sincerely,
