1605 NW 122<sup>nd</sup> Street  
Clive, IA 50325  
Cell 515-208-1417

### **FREEZE ALARM REMINDER**

We will be putting the Freeze Alarms in your units again this winter. These are to monitor the temperature and if a problem comes up, it calls out and we can check your heat. These are connected to the phone lines, so if you change phones, change numbers, or disconnect your phone, you must contact Mike Williams.

REMEMBER, leave your heat on at 55 degrees, windows closed, and cupboards open. A few years ago we had a water line break and the total loss was just under \$100,000.

**DO NOT TURN OFF YOUR HEAT!**

Mike Williams, 847-370-9993 or [mgw2@comcast.net](mailto:mgw2@comcast.net)
